I was Booked in Nov 28th 2013. Upon arrival I explained all my medical conditions, and the medications I was prescribed. After being incarcerated going on three weeks, I began to file complaints, and then grievances. During this time I still wasn't seen by a doctor after 1 month we started arguing back and forth over a \$1500 initial doctors visit fee. Because I said I had chest pain they put me in observation. It was actually a isolation unit. they said medical observation. From there I was placed in a classification's unit. Where I was told when to go in and out of my cell when to come out by two inmates to eat, play cards, watch t.v., ect. After four days one inmate came in while one blocked the door and beat me up. I suffered a couple knots, and bruises, and a broken rib. I am a Medium Security, Non violent offender. I was assaulted and kidnapped by two Maximum, Violent

aFFenders. I was threatened that if I
